

canstruction®

11th annual New Jersey design/build competition

call for entries

It starts with one can. To feed the hungry. To lift the spirit. To change the world. Canstruction is a charity committed to ending hunger, using 'one can' as a catalyst for change. Every month, over 500,000 thousand New Jerseyans access hunger relief programs supported by the Community Food Bank of New Jersey. New Jersey's design/build competition puts a visual spotlight on hunger while showcasing the state's best and brightest designers.

Think you have what it takes to design and build a structure entirely out of canned food? Enter today. Get creative and help stop hunger.

Who Teams of New Jersey Architects, Engineers, Contractors, Designers and Students attending Schools of Architecture, Engineering and Design.

What Design & build structures made entirely from canned foods within a 10'x10'x8'h space. Structures should be inspired by one of the following themes: Hockey, The New Jersey Devils, The Prudential Arena or Newark, NJ
